This attempt took 1 minute.

Question 1

1 / 1 pts

Where can you find all of your current and past course enrollments in Canvas?

- ☐ Through the Help menu
- ☒ By clicking on the Courses icon in the Global Navigation

Correct! Current enrollments are shown at the top of the list with courses that you have already completed listed under "Past Enrollments". Future Enrollments for upcoming terms are listed beneath "Past Enrollments". If you favorite Courses, only those Courses that you choose to favorite will display on your Dashboard.

- ☐ By searching the Canvas Guides
- ☐ Under the Dashboard settings

Question 2

1 / 1 pts

What does a solid color box next to a course calendar indicate in the Canvas Calendar?

- ☐ The calendar has no events scheduled
- ☐ The calendar is inactive
- ☐ The calendar is turned off
- ☒ The calendar is turned on

Correct! The Calendar is a great way to view everything you have to do for all your Courses in one place. The calendar list includes a color box next to each course and one for your personal calendar. Your personal calendar is labeled with your name. If the color box is a solid color, the calendar is turned on. When a calendar is on, events, assignments, and To-Do items for that course are shown in the calendar. When the color box is empty, events, assignments, and To-Do items for that course are shown in the calendar.

Question 3

1 / 1 pts

In Canvas, instructors may create modules that require students to choose an assignment path, and once chosen, students cannot switch to a different path.

- ☒ True

Correct! In Canvas, instructors can create modules where students must choose a specific assignment path. Once chosen, students cannot switch to a different path. This helps maintain clarity and consistency in course progression and ensures students follow the intended learning track

- ☐ False

Incorrect

Question 4

0 / 1 pts

What happens to the submission if changes are made after clicking the "Submit" button for an assignment in Canvas?

- ☐ The submission is deleted and needs to be resubmitted
- ☐ The changes are automatically saved and visible to the instructor
- ☒ The submission is locked and cannot be edited further
- ☐ The changes cannot be viewed by the instructor

Question 5

1 / 1 pts

What does Canvas do if you do not submit a timed quiz before the time runs out?

- ☐ It sends a warning to your instructor
- ☐ It locks you out of the quiz permanently
- ☐ It allows you to continue the quiz indefinitely
- ☒ It automatically submits the quiz after a countdown

Correct! If you do not submit a timed quiz before the time runs out, Canvas opens a pop-up box telling you that your quiz time has ended. The quiz automatically submits after the ten-second countdown, or you can click the "Ok, fine" or "x" button to submit your quiz.

Question 6

1 / 1 pts

Canvas discussions may require students to reply before they can see their classmates' posts.

- ☒ True

Correct! Your instructor may require that you reply to the discussion before seeing your classmates' posts. You will see a notification if this setting is turned on that will state "Replies are only visible to those who have posted at least one reply" .

- ☐ False

Question 7

1 / 1 pts

What section of the course navigation allows you to access your current scores, submission statuses, and instructor feedback?

- ☒ Grades

Correct! When you select "Grades" in the course navigation bar, you will see a list of your assignments, the due dates, the status (Late, Excused, Missing), the score assigned by your instructor, and the total points possible. The Grades Index page can include different elements depending on the settings determined by your instructor or school.

- ☐ Inbox
- ☐ Calendar
- ☐ Announcements

Question 8

1 / 1 pts

In Canvas Collaborations, what type of documents can be created?

- ☐ Audio files
- ☐ PDF and Images
- ☐ Video files
- ☒ Word, PowerPoint, or Excel

Correct! With O365 for Canvas Collaborations, you can create a Word Document, PowerPoint, or Excel spreadsheet collaboration. You can create a collaboration with another student or a group if you have been given the permissions and group membership to do so. A collaboration must first be created and then other students or groups are invited to participate in the collaboration.

Incorrect

Question 9

0 / 1 pts

The Canvas Student App supports all group navigation links available in the web version of Canvas.

- ☒ True
- ☐ False
